Circle of Love Foundation Holds First Outreach to Cambodia

Siem Reap is home to the world's most ancient temple. Tourism thrives on this asset. The people here suffered greatly under Pol Pot and his killing fields. But now, God is doing a new thing. Circle of Love held its first medical outreach in Cambodia Nov. 1-11, 2013. 880 patients were served and over 300 made commitments to Christ. A new house church was planted in one of the villages. Many received glasses and sunglasses as well. Those who could read received New Testaments. Bill Eng, an evangelist from Malaysia was our contact there. He has been working with the churches there for several years. Shannon and Joseph Coenen from Global Outreach Foundation also joined us. They will be returning to help disciple the new believers next year.

**Immanuel-
God With Us**

God with us! What a profound thought. Jesus, the Prince of Heaven, the Creator of All Things, chose to lay this all aside to come to earth as a newborn baby so that He could be the Savior of the World. All because He loved us and wanted us to spend eternity with Him. God's love is the motivation for all we do. We want to partner with Christ to bring salvation to those for whom Christ died whether at home or in a far away country. Please partner with us to continue to reach those who are forgotten by this world. They are precious to God and are eager to hear.

Widows in Laos Need Your Help

"What you have done unto the least of these, you have done unto Me." We have an opportunity to help the "least of these," widows in Laos. Our Christian brothers and sisters face much persecution in Laos for their faith and the widows are often left with no one to care for them. For \$3 a month, - a mere \$36 per year, you can help a widow receive much needed food (such as rice or a chicken). These women are so grateful when their pastor gives them the money from Christians who care. They are reminded that God has not forgotten them. If you are interested in helping the widows, please make your check out to Circle of Love and write Widows in the memo line. You may sponsor as many widows as you like. For logistical reasons, we need the entire \$36 at one time. Because of persecution and long distances to travel to their village we are not able to match you to a particular widow. Please reach out to these precious ladies in the Name of Jesus. Thank you for helping God's widows in Laos.
